

Antelope Memorial Hospital
Healing Body, Mind and Spirit
Neligh, NE

PHYSICIAN ASSISTANT (PA) OR ADVANCED PRACTICE REGISTERED NURSE (APRN)

Antelope Memorial Hospital was built by the forward thinking and generous folks of Antelope County, Nebraska. Their dedication to private fundraising made our hospital a reality! The hospital was dedicated as a living memorial to Antelope County Veterans of all wars. Located along the beautiful Elkhorn River Valley in Northeast Nebraska, our 25-bed critical access hospital, along with our family practice clinics in five communities, are places of warmth, care and compassion. We are ***mindful, united, and warm and welcoming*** as we serve the needs of others!

BASIC FUNCTION AND RESPONSIBILITY:

This position is an integral member of our team in providing excellent health care to our care community. This position provides primary, acute, and general/family practice health care services to patients through assessment, diagnosis, intervention, treatment, consultation and follow-up in collaboration with one of more physicians in the hospital and family practice clinical settings.

The successful candidate must have exceptional teaming and interpersonal skills and be able to maintain constructive relationships while focusing on excellent quality of care.

QUALIFICATIONS of PA:

Graduate of a Physician Assistant program accredited by the National Commission on Certification of Physician Assistants (NCCPA). Current license to practice as a Physician Assistant in Nebraska without restrictions. Current Physician Assistant Certification.

QUALIFICATIONS of APRN:

A minimum of an APRN degree from an accredited educational institution.

Must have a current license as an RN and APRN in Nebraska without restrictions. Current Board Certification as a Nurse Practitioner from the American Nurses Association (ANA) - American Nurses Credentialing Center (ANCC) / American Association of Nurse Practitioners (AANP) required.

Certified BLS, ACLS, ATLS and NRP required. PALS preferred.

Hours of Work: Four, 10-hour days rotating Saturday mornings.

Call: Will rotate one ER call night Monday through Friday and every 6th weekend; rotation is subject to change at the providers' discretion.
